

WE MAKE CHANGE!
2019 YOUTH VOICE AWARDS
A YOUTH-LED GRANTMAKING PROGRAM

APPLY FOR A GRANT TO EMPOWER YOUR COMMUNITY!

Brooklyn Community Foundation is committed to supporting the leadership and agency of youth in creating community change. YOUTH VOICE AWARDS is a youth-led grantmaking program that sees youth as central players in making decisions around supporting youth-centered and youth-led projects. These rewards are for young people by young people. In partnership with nonprofits and supportive community members, Brooklyn youth can apply for small grants to respond to challenges in their neighborhoods or schools.

Youth Voice Awards is about elevating the powerful voices of our youth – youth believe they have the solutions we are looking for and we want to support their work through grants!

Do you or a young person you know have an idea on how to make Brooklyn better for youth? Keep reading to learn more!

FOR YOUTH, BY YOUTH

In its fourth year, the Brooklyn Youth Activists are a group of twenty 14-25 year olds envisioning and working towards radical change in Brooklyn. Activists work together to create an annual youth conference, deepen their commitment to social justice organizing and support one another in their personal journeys as activists. The Activists are in charge of the Youth Voice Awards and are responsible for giving out \$15,000 in awards and supporting young people's work in Brooklyn.

GRANTS AWARDED

Youth Voice Awards recipients get financial support for projects ranging from \$500 – \$2,000.
